the names of the Industrial units to which energy is supplied at a special and concessional rates and the terms and conditions of supply ?

SRI B. SUBBAYYA SHETTY (Minister of State for Information and Power).—Reply appended-Annexure-II

ANNEXURE II

1. *M/s Indian Aluminium Company Limited, Belgaum —*

(*a*) A tripartite agreement was executed by the consumer with the Government and Electricity Board on 26th March 1966. The rate offered to the consumer was Rs. 12-50 Per KW. per year at Hubli 220 K.V. bus. To the above rate, incremental expenses required to transmit their power from Hubli to Belgaum was to be added up. The above rate was agreed to be kept firm for a period of 25 years and there was a provision for the consumer to extend the agreement by another period of 25 years, at the same terms and conditions.

(*b*) The agreement has been revised on 7th August 1976 and the rates as suggested by the Government of India have been offered to the consumer effective from 1st July 1975 which are subject to variation once in every five years in the same ratio as that of the increase in the traiffs of KEB. The revised rates are as follows :—

Quantum of Power Supplied	*Rs. per K.W. per month*
1. Upto and including 25 per cent	40.40
2. Above 25 per cent upto and including 52 percent	44.77
3. Above 50 per cent upto and including 75 percent	49.49
4. Above 75 per cent	53.86

2. *M/s. Ballarpur Paper and Straw Board Mills Limited, Caustic Soda Project at Kaswar.—*

A rate of Rs. 4 25 paise per unit including Electricity duty was fixed to the firm with effect from the date of starting the industry, and the same was agreed to be kept firm for a period of 20 years. The agreement was executed on 5th July 1971 The rates have been revised recently and the revised agreement has been executed on 25th August 1976.The revised rate is 5.5 paise per unit exoluding tax effective from 1 st April 1976 which will be subjcet to revision once in five years in the same ratio as that of the increase KEB Tariffs.

3. *M/s Sandur Manganese and Iron Ores Limited*

Agreement for the power supply to their pig iron plant was executed on 20th June 1968. The rate offered was Rs. 192 per KVA per year of Billing Demand, which is to be kept firm for a period of ten years.

Negotiations are going on for the revision of the above rate.

4. *M/s. Mangalore Chemicals and Fertilisers Limited.*

Agreement was executed on 4th January 1973. The industrial tariff of 1971 which was applicable to general industries, was offered to the firm and the same was agreed to be kept firm for a period of 10 years.

The industrial tariff comprises of Demand charges and energy charges at telescopic sliding slabs. The average rate at 90 per cent load factor and 91 per cent power factor works out to 4.09 paise per unit

Consequently, the rate has been revised to 5.5 paise per unit with effect from 1st February 1975

5. *M/s. V.I S.L., Bhadravathi....*

The rate of 5.5 paise per unit has been fixed to the above firm with effect from 1st January 1975 which will be revised once in every five years in the same ratio as that of increas in KEB tariffs.

Agreement has not yet been executed.

6. *M/s. Andhra Steel Corporation Limited.*—

Agreement was executed during August 1971 where in HT-1A industrial tariff of 1971 was offered to the firm. The above tariff was agreed to be kept firm for a period of ten years, from the date of agreement.

As the consumer did not agree for revision of tariffs during discussions, the consumer was billed as per the existing industrials tariff of 1974 on the directions of the Government. The consumer did not settle the bills as per the revised rate and has approached Court which has granted stay for the collection of power charges as revised rates.

Disposal of Land Opposite to Shri Ramakrishna Ashrama, Bangalore

25 SRI RAJ PID NAIK (Shorapur) :—Will the Chief Minister be Pleased to state:—

(*a*) whether it has come to the notice of Government that the owner of 2000 Sq. Metres of land located opposite to Sri Ramakrishna Ashrama, Bull Temple Road, Bangalore is trying to dispose of the excess land to trusts or schools run or managed by him thus defeating the Urban Ceiling Law ;

(*b*) if so, the action, the Government propose to take against him ?
